

# Totect® Emergency Treatment Kit Six-Year Replacement Kit Policy

**By purchasing a Totect® emergency treatment kit at \$14,750, you are entitled to a six-year replacement kit policy.**

This policy is provided to our customers as a service to virtually eliminate the cost to replace an unused expired Totect® Emergency Treatment Kit(s). TopoTarget USA, Inc. recognizes the reported incidence rate of anthracycline extravasations and that a kit may expire before use. **The goal of TopoTarget USA, Inc. is to replace unused expired Totect® Emergency Treatment Kits to any purchaser for a period of six years from date of purchase.** This replacement kit policy was designed to insure the original purchaser of the Totect® Emergency Treatment Kit(s) purchased from TopoTarget USA, Inc. through its authorized distributor will receive replacement Totect® Emergency Treatment Kit(s) provided that the following requirements are fulfilled:

1. The Totect® Emergency Treatment Kit is returned by the original purchaser to the authorized distribution center that it was received from at purchase.
2. The Totect® Emergency Treatment Kit is purchased through the authorized distribution channel. Kits ordered via drop shipments will be honored provided an authorized distribution center was the originating sender.
3. The original purchaser will contact TopoTarget USA's authorized distribution for authorization of product return. A Return Goods Authorization ("RGA") will be processed verifying purchase from the distributor. Upon RGA approval, instructions will be provided for returning the Totect® Emergency Treatment Kit.
4. The Totect® Emergency Treatment Kit contains ten vials of Totect® and 10 vials of diluent when returned to the authorized distribution center.
5. The original purchaser returns the Totect® Emergency Treatment Kit to the distributor (see #1 above) 30 days immediately preceding and no longer than 90 days after the kit's expiration date.
6. The original purchaser of the Totect® Emergency Treatment Kit may receive replacement kits for any unused kit (whether an original or replacement kit) for a period of six years from the date of purchase.
7. The original purchaser of the Totect® Emergency Treatment Kit has completed and returned the Replacement Kit Acknowledgement Agreement.

The customer should contact their authorized Totect® distributor within 30 days of the product expiration date and request a Return Goods Authorization ("RGA"). At that time, the distributor will mail out the RGA and a new Totect® kit. The customer is instructed to attach the RGA on the expired kit and return it to its distributor. Any return shipping and replacement kit shipping charges may be the responsibility of the customer. If the expired kit is not returned within 30 days of the requested RGA issue date, the customer may be charged for an additional kit. TopoTarget USA reserves the right to modify or cancel this replacement kit policy upon ninety (90) days notice.
